15 February 1955

Chief, Planning
Logistics Office

I have your letter of 14 February 1955 in response to my suggestion of 11 February that you accept an assignment on the Staff of the Deputy Director (Support) as an Assistant for Support Planning.

While I regret that this position may not have the benefit of your outstanding qualifications, I agree with you that you can make a valuable contribution to the entire support planning system by resolving problems in the purely logistical planning field in the Logistics Office.

Your determination to complete successfully the commitments which you have made to the Chief of Logistics is commendable and we look forward to working with you in the future development of the Support Planning System.

Sincerely,

L. K. White
Deputy Director
(Support)
